

APPLICATION FOR PERMISSION TO CHANGE POINT OF DIVERSION, MANNE OF USE AND
PLACE OF USE OF THE PUBLIC WATERS OF THE STATE OF NEVADA HERETOFORE
APPROPRIATED.

Date of first receipt and filing in State Engineer's office JUN 2 1954

Returned to applicant for correction

Corrected application filed

The undersigned Ethel Bradish Hansen

(Name of applicant)

of Wells, County of Elko

State of Nevada, hereby makes application for permission to change the point of diversion of water heretofore appropriated under decreed right 01706
(State nature of right that is the basis of this

application, i. e., vested, decreed or permitted right.)

1. The source of water supply is Rice Creek decreed
2. The quantity of water desired to be changed 602.96 Acft as formerly/ (Acres feet, second feet.)
3. The water is to be used for irrigation purposes
4. The water heretofore used for the same
5. Place of use under existing appropriation SW¹ SE¹ N¹ SE¹
(Under irrigation give number acres
SW¹ Section 20 T. 36 N. R. 62 E. COMPRISING 224.23 acres
and description in respect to Government Land Survey; under any other use give location as being within a 40-acre subdivision.)
6. Proposed place of use under this application same as above
(Under irrigation give number of acres and description in respect to Government Land Survey; under any other use give location as being within a 40-acre subdivision.)
7. The water is to be diverted from its source at the following point: NW¹ SE¹ Sec. 18 T. 36 N. R. 62 E.
(Describe as being within a 40-acre subdivision of public survey, or by course and distance to a section corner.)
8. The existing point of diversion under the former appropriation is ditches and swales as follows: From overflow from S¹ NW¹ Sec. 20 T. 36 N. R. 62 E. through sundry
(If point of diversion is not changed do not answer.)
9. Number and kind of animals proposed to be watered
10. Use will begin about as decreed and end about as decreed of each year.
(Month) (Month)
11. The water has been used heretofore ~~King~~ ~~x~~ months ~~xx~~ whenever C. Schoer, the user above, allowed the water to reach applicant's land. of each year
12. Remarks Extensive correspondence has been carried on for years over the division of the waters of Rice Creek, the applicant herein claiming he cannot obtain his rightful share of the water, coming to him as it now does from overflow from lands of C. Schoer in the NW¹ of Sec. 20. The applicant herein now desires to have a point of diversion in the NW¹ SE¹ Sec. 18 for his own individual ditch from Rice Creek.

13. Description of proposed works The applicant will install at his point of diversion from Rice Creek a headgate, weir or other measuring device as recommended by the State Engineer, also construct a ditch approximately one-half mile long which will empty into the Bradish Spring Creek.

14. Estimated cost of works \$500.00

15. Estimated time required to construct the works is 6 months

APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the point of diversion of the waters of Rice Creek as heretofore granted by decree under Proof of Appropriation No. 01706 is issued subject to the terms and conditions imposed in said decree and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial headgate and weir must be installed at or near the new point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use and not to exceed 602.96 acre-feet annually.

Actual construction work shall begin on or before January 28, 1956

Proof of commencement of work shall be filed before February 28, 1956

Work must be prosecuted with reasonable diligence and be completed on or before January 28, 1957

Proof of completion of work shall be filed before February 28, 1957

Application of water to beneficial use shall be made on or before

January 28, 1958. Proof of the application of water to beneficial use must be filed with State Engineer on or before February 28, 1958

Withdrew by applicant JAN 16 1957

State Engineer

WITNESS MY HAND AND SEAL this 28th day

of June, 1955
